

# *Change a life.*

## **A child's – and your own.**

There are more than 500,000 American kids in foster care — and almost 10,000 right here in the Indiana.

As a foster parent, you can use your skills and experience to make life better for a young person.

Through your good work, you will be providing a safe and loving home for a child during a difficult time — and you'll also be doing your part to make our community a better place, one person at a time.

Change a life — a child's, and your own. Learn more about becoming a foster parent by calling 800-468-4228 or visiting [www.in.gov/dcs](http://www.in.gov/dcs)
